### PRECAUTIONS

#### PERSONAL PROTECTION

Do not breathe dust. Avoid contact with skin and eyes, ingestion. When applying this product, overalls, boots, gloves, eye protection should be worn. Wear respiratory protection if there is a risk of dust inhalation. Do not eat, drink or smoke while using. Remove protective clothing and wash hands and face thoroughly before meals and after work. Clean protective clothing before re-use. Contaminated work clothing should not be allowed out of the workplace.

#### STORAGE

Store in original container, tightly closed, in a locked, dry, cool and well-ventilated area avoiding direct sunlight and away from

foodstuffs, fertilisers or seeds. Storage must be in accordance with the current version of Management of Agrichemicals (NZS 8409).

Stores containing 1000 kg or more of **AGPRO Fertiliser Tablets** require secondary containment, signage and an emergency plan.

#### DISPOSAL

PRODUCT DISPOSAL: Dispose of this product only by using according to the label directions or if this is not possible contact your supplier for advice.

PACKAGING DISPOSAL: Dispose of empty packaging at an approved landfill. Do not burn. Do not use packaging for any other purpose.

#### FIRST AID

For advice call the National Poisons Centre 0800 POISON (0800 764 766) (24 hours) or a doctor. If medical advice is needed have product container or label to hand.

IF EXPOSED OR CONCERNED: Get medical advice/attention.

IF SWALLOWED: Do NOT induce vomiting. Rinse mouth. Call the Poisons Centre or a doctor if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If irritation persists, get medical advice/attention.

IF ON SKIN OR HAIR: Remove contaminated clothing and wash with plenty of soap and water. If skin irritation or rash occurs get medical advice/attention. Wash contaminated clothing before reuse.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Call the Poisons Centre or a doctor if you feel unwell. Apply artificial respiration if not breathing.

#### EMERGENCY RESPONSE

In a transport emergency call 111, Police or Fire Brigade. For specialist advice in a chemical emergency call 0800 CHEMCALL (0800 243 622).

#### TRANSPORT

Do not carry on a passenger service vehicle.

#### SPILLAGE

Exclude non-essential people from the area. Wear protective clothing and prevent tablets from entering waterways. Generating as little dust as possible, sweep up solid spills and place in a waste container. Dispose of safely at an approved landfill.

#### SAFETY DATA SHEET

Additional information is provided in the safety data sheet. Phone 09 273 3456 or visit [www.agpro.co.nz](http://www.agpro.co.nz) for a copy.

#### GENERAL INSTRUCTIONS

**AGPRO Fertiliser Tablets** contain a blend of Nitrogen, Phosphorous, Potassium, Magnesium and trace elements in a balanced formulation for use in orchards, forestry, vineyards and nurseries.

The advantages of **AGPRO Fertiliser Tablets** are:

- An optimum fertiliser blend is available for the important establishment period and the early growth stage.
- Simple and easy to use.
- The nutrients are easily available to the plant within the root range.
- Reduced labour costs as only a single application is required.

#### DIRECTIONS FOR USE

**AGPRO Fertiliser Tablets** should be placed under the tree at planting, approximately 150 to 300mm deep. On established trees, bury the tablets in the root zone approximately 200mm deep. The recommended application rates are:

Plants up to 300mm high	1 to 3 tablets
Plants 300mm – 1m high	2 to 5 tablets
Plants over 1m high	5 tablets plus
