

## Agpro Continues to operate

Under advisement by the Ministry of Primary Industries, Agpro NZ Ltd has been deemed an essential service provider and will continue to supply our food producing customers.

There are a number of restrictions that have been put into place to allow Agpro to continue to operate, please bear with us. Agpro has taken guidance and instruction from Ministry of Health to ensure the safety of our people our customers and the country.

We are well placed to continue the supply of crop protection products and other inputs along with technical advise. For Agpro to continue this supply and service the following restrictions are in place.

- Entry to 10 Polaris Place is essential Agpro staff and freight companies ONLY.
- No site pick ups will be allowed.
- Our Technical team will be available by phone/email to answer questions, but will have no direct or onsite contact.
- Due to the limited staff available and freight options there maybe delays in deliveries.

Regards,

Agpro Team
